Wellness Policy

Each district must establish a local school wellness policy for all schools participating in the National School Lunch Program and/or School Breakfast program under the jurisdiction of the district. The local school wellness policy is a written plan that includes methods to promote student wellness, prevent and reduce childhood obesity, and provide assurance that school meals and other food and beverages sold and otherwise made available on the school campus during the school day are consistent with applicable minimum federal standards. 7 C.F.R. 210.31(a)

School Day

"School day" means the period from the midnight before, to 30 minutes after the end of the official school day. 7 C.F.R. 210.11(a)(5)

School Campus

"School campus" means all areas of the property under the jurisdiction of the school that are accessible to students during the school day. 7 C.F.R. 210.11(a)(4)

Contents

At a minimum, a local school wellness policy must contain:

1. Specific goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. In developing these goals, a district must review and consider evidence-based strategies and techniques;
2. Standards for all foods and beverages provided, but not sold, to students during the school day on each participating school campus under the jurisdiction of the district;
3. Standards and nutrition guidelines for all foods and beverages sold to students during the school day on each participating school campus under the jurisdiction of the district that:
 - a. Are consistent with applicable requirements set forth in 7 C.F.R. 210.10 (meal requirements for lunches and after-school snacks) and 220.8 (meal requirements for breakfasts);
 - b. Are consistent with the nutrition standards set forth under 7 C.F.R. 210.11 (competitive food service and standards);
 - c. Permit marketing on the school campus during the school day of only those foods and beverages that meet the nutrition standards under 7 C.F.R. 210.11; and
 - d. Promote student health and reduce childhood obesity;
4. Identification of the position of the district or school official(s) responsible for the implementation and oversight of the local

school wellness policy to ensure each school's compliance with the policy;

5. A description of the manner in which parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the general public are provided an opportunity to participate in the development, implementation, and periodic review and update of the local school wellness policy; and
6. A description of the plan for measuring the implementation of the local school wellness policy, and for reporting local school wellness policy content and implementation issues to the public as required below.

Public Involvement
and Notification

A district must:

1. Permit parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the general public to participate in the development, implementation, and periodic review and update of the local school wellness policy.
2. Inform the public about the content and implementation of the local school wellness policy, and make the policy and any updates available to the public annually.
3. Inform the public about progress toward meeting the goals of the local school wellness policy and compliance with the local school wellness policy by making the triennial assessment, as required at item 2 under Implementation Assessments and Updates below, available to the public in an accessible and easily understood manner.

Implementation
Assessments and
Updates

A district must:

1. Designate one or more district or school officials to ensure that each participating school complies with the local school wellness policy.
2. At least once every three years, assess schools' compliance with the local school wellness policy, and make assessment results available to the public. The assessment must measure the implementation of the local school wellness policy, and include:

- a. The extent to which schools under the jurisdiction of the district are in compliance with the local school wellness policy;
 - b. The extent to which the district's local school wellness policy compares to model local school wellness policies; and
 - c. A description of the progress made in attaining the goals of the local school wellness policy.
3. Make appropriate updates or modifications to the local school wellness policy, based on the triennial assessment.

Recordkeeping

A district must retain records to document compliance with the requirements of this policy. These records include, but are not limited to:

1. The written local school wellness policy;
2. Documentation demonstrating compliance with community involvement requirements, including requirements to make the local school wellness policy and triennial assessments available to the public as required at Implementation Assessments and Updates above; and
3. Documentation of the triennial assessment of the local school wellness policy for each school under its jurisdiction.

Change in Health Services

Before a district or a school may expand or change the health-care services available at a school in the district from those that were available on January 1, 1999, the board must:

1. Hold a public hearing at which the board provides an opportunity for public comment and discloses all information on the proposed health-care services, including:
 - a. All health-care services to be provided;
 - b. Whether federal law permits or requires any health-care service provided to be kept confidential from parents;
 - c. Whether a child's medical records will be accessible to the parent;

**School Health
Advisory Council**

The board shall establish a local school health advisory council (SHAC) to assist the district in ensuring that local community values are reflected in the district's health education instruction. *Education Code 28.004(a)* [See EHAA regarding duties of the SHAC.]

Meetings

The SHAC shall meet at least four times each year. For each meeting the SHAC shall:

1. At least 72 hours before the meeting post notice of the date, hour, place, and subject of the meeting on a bulletin board in the central administrative office of each campus in the district; and ensure that the required notice is posted on the district's internet website, if the district has an internet website;
2. Prepare and maintain minutes of the meeting that state the subject and content of each deliberation and each vote, order, decision, or other action taken by the council during the meeting;
3. Make an audio or video recording of the meeting; and
4. Not later than the tenth day after the meeting, submit the minutes and audio or video recording of the meeting to the district.

As soon as practicable after receipt of the minutes and audio or video recording, the district shall post the minutes and audio or video recording on the district's internet website, if the district has an internet website.

Education Code 28.004(d-1), (d-2)

Composition

The board shall appoint at least five members to the SHAC. A majority of members must be persons who are parents of students enrolled in the district and who are not employed by the district. One of those members shall serve as chair or co-chair of the SHAC.

The board also may appoint one or more persons from each of the following groups or a representative from a group other than a group specified:

1. Classroom teachers employed by the district;
2. School counselors certified under Education Code Chapter 21, Subchapter B, employed by the district;
3. School administrators employed by the district;
4. District students;
5. Health-care professionals licensed or certified to practice in this state, including medical or mental health professionals;

Purpose

As a condition of accreditation, a district shall provide instruction in the essential knowledge and skills at appropriate grade levels in the foundation and enrichment curriculum. *Education Code 28.002(c); 19 TAC 74.1(b)*

A district shall ensure that all children in the district participate actively in a balanced curriculum designed to meet individual needs. *Education Code 28.002(g)*

Instruction may be provided in a variety of arrangements and settings, including mixed-age programs designed to permit flexible learning arrangements for developmentally appropriate instruction for all student populations to support student attainment of course and grade-level standards. *19 TAC 74.2*

A primary purpose of the public school curriculum is to prepare thoughtful, informed citizens who understand the importance of patriotism and can function productively in a free enterprise society with appreciation for the fundamental democratic principles of our state and national heritage.

A district shall require the teaching of informed American patriotism, Texas history, and the free enterprise system in the adoption of instructional materials for kindergarten through grade 12, including the founding documents of the United States. In providing instruction required by the State Board of Education under Education Code 28.002(h-1), regarding the founding documents of the United States, a district shall use those documents as part of the instructional materials for the instruction.

Education Code 28.002(h), (h-6)

Required Curriculum

Foundation
Curriculum

A district that offers kindergarten through grade 12 shall offer a foundation curriculum that includes:

1. English language arts and reading;
2. Mathematics;
3. Science; and
4. Social studies, consisting of Texas, United States, and world history; government; geography; and economics with emphasis on the free enterprise system and its benefits.

1. Languages other than English, to the extent possible. American Sign Language is a language for these purposes and the district may offer an elective course in the language;
2. Health, with emphasis on:
 - a. Physical health, including the importance of proper nutrition and exercise;
 - b. Mental health, including instruction about mental health conditions, substance abuse, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision-making; and
 - c. Suicide prevention, including recognizing suicide-related risk factors and warning signs;
3. Physical education;
4. Fine arts;
5. Career and technical education;
6. Technology applications;
7. Religious literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature; and
8. Personal financial literacy.

Education Code 28.002(a)(2), (e); 19 TAC 74.1(a)(2)

Digital Citizenship

The State Board of Education by rule shall require each district to incorporate instruction in digital citizenship into the district's curriculum, including information regarding the potential criminal consequences of cyberbullying.

"Cyberbullying" has the meaning assigned by Education Code 37.0832. [See FFI]

"Digital citizenship" means the standards of appropriate, responsible, and healthy online behavior, including the ability to access, analyze, evaluate, create, and act on all forms of digital communication.

Education Code 28.002(z)

Positive Character
Traits

Districts are required to provide instruction in the essential knowledge and skills for positive character traits and personal skills at least once in the following grade bands: kindergarten–grade 2, grades 3–5, grades 6–8, and grades 9–12.

Districts may provide the required instruction in a variety of arrangements, including through a stand-alone course or by integrating the positive character traits standards in the essential knowledge and skills for one or more courses or subject areas at the appropriate grade levels.

19 TAC 120.3(a), .5(a), .7(a), .9(a)

Local Credit

A district may offer courses for local credit, at its discretion, in addition to those in the required curriculum, but it may not delete or omit instruction in the foundation and enrichment curricula specified above. *Education Code 28.002(f); 19 TAC 74.1(b)*

Local Instructional Plan

A district's local instructional plan may draw on state curriculum frameworks and program standards as appropriate. A district is encouraged to exceed minimum requirements of law and State Board rule.

Major Curriculum Initiatives

Before the adoption of a major curriculum initiative, including the use of a curriculum management system, a district must use a process that:

1. Includes teacher input;
2. Provides district employees with the opportunity to express opinions regarding the initiative; and
3. Includes a meeting of the board at which information regarding the initiative is presented, including the cost of the initiative and any alternatives that were considered; and members of the public and district employees are given the opportunity to comment regarding the initiative.

Education Code 28.002(g)

Common Core State Standards

A district may not use common core state standards to comply with the requirement to provide instruction in the essential knowledge and skills at appropriate grade levels. A district may not be required to offer any aspect of a common core state standards curriculum. "Common core state standards" means the national curriculum standards developed by the Common Core State Standards Initiative. *Education Code 28.002(b-1), (b-3), (b-4)*

Scope and Sequence

In adopting a recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level, a district shall ensure sufficient time is provided for teachers to teach and students to learn the essential knowledge and skills for that subject and grade level [see DG]. *Education Code 28.0027(a)*

Coordinated Health Programs

The Texas Education Agency (TEA) shall make available to each district one or more coordinated health programs in elementary, middle, and junior high school. Each program must provide for coordinating education and services related to:

1. Physical health education, including programs designed to prevent obesity, cardiovascular disease, oral diseases, and Type 2 diabetes and programs designed to promote the role of proper nutrition;
2. Mental health education, including education about mental health conditions, mental health well-being, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision-making;
3. Substance abuse education, including education about alcohol abuse, prescription drug abuse, and abuse of other controlled substances;
4. Physical education and physical activity; and
5. Parental involvement.

Education Code 38.013; 19 TAC 102.1031(a)

A district shall participate in appropriate training to implement TEA's coordinated health program and shall implement the program in each elementary, middle, and junior high school in the district. *Education Code 38.014*

Coordinated school health programs that are developed by districts and that meet TEA criteria may be approved and made available as approved programs. Districts must use materials that are proven effective, such as TEA-approved textbooks or materials developed by nationally recognized and/or government-approved entities. *19 TAC 102.1031(c)*

Physical Education

Each district shall establish specific objectives and goals the district intends to accomplish through the physical education curriculum. The physical education curriculum must be sequential, developmentally appropriate, and designed, implemented, and evaluated to enable students to develop the motor, self-management, and other skills, knowledge, attitudes, and confidence necessary to participate in physical activity throughout life.

A physical education course shall:

1. Offer students an opportunity to choose among many types of physical activity in which to participate;
2. Offer students both cooperative and competitive games; and

3. Be an enjoyable experience for students.

On a weekly basis, at least 50 percent of a physical education class shall be used for actual student physical activity and the activity shall be, to the extent practicable, at a moderate or vigorous level.

Student/Teacher
Ratio

The objectives and goals shall include, to the extent practicable, student/teacher ratios [see EEB] that are small enough to enable the district to:

1. Carry out the purposes of and requirements for the physical education curriculum; and
2. Ensure the safety of students participating in physical education.

If a district establishes a student to teacher ratio greater than 45 to 1 in a physical education class, the district shall specifically identify the manner in which the safety of the students will be maintained.

Education Code 25.114, 28.002(d); 19 TAC 74.37

Classification for
Physical Education

A district shall classify students for physical education on the basis of health into one of the following categories:

1. Unrestricted — not limited in activities.
2. Restricted — excludes the more vigorous activities. Restricted classification is of two types:
 - a. Permanent — A member of the healing arts licensed to practice in Texas shall provide written documentation to the school as to the nature of the impairment and the expectations for physical activity for the student.
 - b. Temporary — Students may be restricted from physical activity of the physical education class. A member of the healing arts licensed to practice in Texas shall provide written documentation to the school as to the nature of the temporary impairment and the expected amount of time for recovery. During recovery time, the student shall continue to learn the concepts of the lessons but shall not actively participate in the skill demonstration.
3. Adapted and remedial — specific activities prescribed or prohibited for students as directed by a member of the healing arts licensed to practice in Texas.

Duties

The SHAC's duties include recommending:

1. The number of hours of instruction to be provided in:
 - a. Health education in kindergarten through grade 8; and
 - b. If the district requires health education for high school graduation, health education, including physical health education and mental health education, in grades 9 through 12.
2. Policies, procedures, strategies, and curriculum appropriate for specific grade levels designed to prevent physical health concerns, including obesity, cardiovascular disease, Type 2 diabetes, and mental health concerns, including suicide, through coordination of:
 - a. Health education, which must address physical health concerns and mental health concerns to ensure the integration of physical health education and mental health education;
 - b. Physical education and physical activity;
 - c. Nutrition services;
 - d. Parental involvement;
 - e. Instruction on substance abuse prevention;
 - f. School health services, including mental health services;
 - g. A comprehensive school counseling program under Education Code 33.005 [see FFEA];
 - h. A safe and healthy school environment; and
 - i. School employee wellness;
3. Appropriate grade levels and methods of instruction for human sexuality instruction;
4. Strategies for integrating the curriculum components specified by item 2, above, with the following elements in a coordinated school health program:

 - c. A safe and healthy school environment; and
 - d. School employee wellness;
5. If feasible, joint use agreements or strategies for collaboration between the district and community organizations or agencies. Any agreement entered into based on a recommendation of the SHAC must address liability for the district and community organization;
6. Strategies to increase parental awareness regarding:
 - a. Risky behaviors and early warning signs of suicide risks and behavioral health concerns, including mental health disorders and substance use disorders; and
 - b. Available community programs and services that address risky behaviors, suicide risks, and behavioral health concerns.
7. Appropriate grade levels and curriculum for instruction regarding opioid addiction and abuse and methods for administering an opioid antagonist; and
8. Appropriate grade levels and curriculum for instruction regarding child abuse, family violence, dating violence, and sex trafficking, including likely warning signs that a child may be at risk for sex trafficking, provided that the local SHAC's recommendations under this provision do not conflict with the essential knowledge and skills developed by the State Board of Education.

Policy
Recommendations

The SHAC shall consider and make policy recommendations to the district concerning the importance of daily recess for elementary school students. The SHAC must consider research regarding unstructured and undirected play, academic and social development, and the health benefits of daily recess in making the recommendations. The SHAC shall ensure that local community values are reflected in any policy recommendation made to the district concerning the importance of daily recess for elementary school students.

Adoption of
Instructional
Materials

The board shall adopt a policy establishing a process for the adoption of curriculum materials for the district's human sexuality instruction. The policy must require:

1. The board to adopt a resolution convening the local SHAC for the purpose of making recommendations regarding the curriculum materials;
2. The local SHAC to:
 - a. After the board's adoption of the resolution, hold at least two public meetings [see BDF] on the curriculum materials before adopting recommendations; and
 - b. Provide the adopted recommendations to the board at a public meeting of the board; and
3. The board, after receipt of the local SHAC's recommendations under item 2, above, to take action on the adoption of the recommendations by a record vote at a public meeting.

Before adopting curriculum materials for the district's human sexuality instruction, the board shall ensure that the curriculum materials are:

1. Based on the advice of the local SHAC;
2. Suitable for the subject and grade level for which the curriculum materials are intended; and
3. Reviewed by academic experts in the subject and grade level for which the curriculum materials are intended.

Board Selection

Before adopting curriculum materials for the district's instruction relating to the prevention of child abuse, family violence, dating violence, and sex trafficking, the board shall ensure that the curriculum materials are:

1. Based on the advice of the local SHAC;
2. Suitable for the subject and grade level for which the curriculum materials are intended; and
3. Reviewed by academic experts in the subject and grade level for which the curriculum materials are intended.

The board shall determine the specific content of the district's instruction relating to the prevention of child abuse, family violence, dating violence, and sex trafficking, including the essential knowledge and skills addressing these topics developed by the State Board of Education.
