

Dear Parent/Guardian:

Parents: Please take advantage of the Immunization Clinic scheduled for students February 25, 2021 here at school. The deadline to register is February 18. It will be one less worry for the summer and you do not have to take off work to be present for your child to receive the immunizations.

Parents, again I had the opportunity to consult with Aurora Concepts, LLC. in regards to providing immunizations to students enrolled at Lovelady ISD. Aurora Concepts will come to the school to administer the required immunizations needed for the students in 6th grade; and to those students in the 10th 11th and 12th grade.

If your child is in the 6th grade (1) dose of Meningococcal (MCV4) and (1) dose of Tdap is required for next year.

Aurora Concepts will provide the second dose of MCV4 (Meningococcal) immunization to the 10th, 11th graders who will be taking college classes and to the 12th graders who need the second dose of MCV4 (Meningococcal) that are graduating before entering into college.

Parents if you are interested in having your student immunized please complete and sign a few papers that are required. **The forms must be completed and signed with copy of front and back of insurance as stated below in order to get their shots. If no insurance, each vaccine required will be \$5 each and send to the Nurse's Office with forms completed.**

Immunization Clinic is scheduled for February 25, 2021

Immunization Clinic for High School begin around 11:00am

Immunization Clinic for 6th graders begin at 12:00pm

Each student will need:

- ❖ Signed Vaccine Consent
- ❖ Signed Immtrac Consent
- ❖ Copy of your Insurance Card Front/Back
- ❖ **Return completed forms back to Nurse's Office no later than February 18, 2021**

Again, also note, that if you do not have any insurance, the cost for immunization required would be \$5 each immunization.

Please check your child's immunization record in 6th grade to make sure they are not delinquent; and to make sure the nurse has a recent copy of immunizations.

If you have any questions, please feel free to contact me in the office 636-7832 Ext. 237.

Sincerely,

Winnie McKnight, BSN, RN
Lovelady ISD
